

Mr Richard MARASI
Student Representative – Cookery
APTC

**Re – Your role as student representative for APTC students
18 July – 10 December 2011**

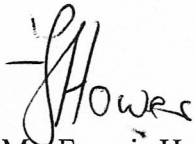

On behalf of the management and students of APTC I would like to thank you for the magnificent way in which you fulfilled your role as voluntary student representative during the study block in Samoa. You were prepared to take on this additional role even though you had your own study obligations to complete both inside and out of class.

I was particularly pleased that you were willing to meet fortnightly with myself and the Student Services Officer Ms Mutaaga Isara. During these meetings it was obvious you were well organised and had the interests of both the students and APTC at heart. You expressed the needs of the students clearly and helped us work together to problem solve. You then obviously followed up by talking further to your fellow students and providing them with feedback.

In regards to the students in the lodge again you took a leadership role in communicating with them and with staff to resolve issues quickly. You also showed great concern and support for your fellow students and ensured that staff were fully aware of personal issues that might impact on their study success.

Once again I would like to thank you for being a positive role model and a respected leader. You have brought great credit to yourself and to your employer and I have no doubt your leadership qualities will stand you in good stead in the future.

Yours sincerely.

Ms. Francis Howes
Campus Manager
